- (2) The Buyer is acquiring the property as his residence, and the buyer or other qualifying family member will occupy the property for at least 50% of the time during each of the first 12-month periods following transfer of title to the buyer.

**NOTICE
DEPOSIT OF FUNDS AND DISBURSEMENT DISCLOSURE**

Unless you elect otherwise (as described below), all funds received by (the "Company") in escrow will be deposited with other escrow funds in one or more non-interest bearing escrow accounts of the Company in a financial institution selected by the Company. The depositor acknowledges that the deposit of funds in a non-interest bearing demand account by Escrow Holder may result in said company receiving a range of economic benefits from the bank in the form of services, credits, considerations, or other things of value. The depositor hereby specifically waives any claim to such economic benefits payable to Escrow Holder resulting from non-interest bearing deposits. Unless you direct the Company to open an interest-bearing account (as described below), the Company shall have no obligation to account to you in any manner for the value of, or to compensate any party for, any benefit received by the Company and/or its affiliated company. Any such benefits shall be deemed additional compensation of the Company for its services in connection with the escrow.

If you elect, funds deposited by you prior to the close of escrow may be placed in an individual interest-bearing account arrangement that the Company has established with one of its financial institutions. You do not have an opportunity to earn interest on the funds deposited by a lender. If you elect to earn interest through this special account arrangement, the Company will charge you an additional fee of \$50.00 for the establishment and maintenance of the account. This fee compensates the Company for the costs associated with opening and managing the interest-bearing account, preparing correspondence/documentation, transferring funds, maintaining appropriate records for audit/reconciliation purposes, and filing any required tax withholding statements. It is important that you consider this cost in your decision since the cost may exceed the interest you earn.

Funds deposited in an interest-bearing account will be withdrawn from such account and deposited in the Company's general escrow trust account approximately two business days prior to the scheduled close of escrow or other disbursement of such funds. If you wish to have your funds placed in an interest-bearing account (with an accompanying charge of \$50.00), please mark below and sign and return this form to your escrow officer. In addition, you must complete and return IRS Form W-9. If you do not want to have your funds deposited in an interest-bearing account, you do not need to sign or return this notice and the Company will understand you to have elected to have your funds deposited in a non-interest bearing account. If you change your mind and later wish to have your funds placed in an interest-bearing account, please contact your escrow officer.

The funds you deposit are insured only to the limit provided by the Federal Deposit Insurance Corporation.

PLEASE CONSIDER THIS MY/OUR INSTRUCTION TO PLACE MY/OUR DEPOSIT(S) IN A SEGREGATED, INTEREST BEARING ACCOUNT. I/WE UNDERSTAND THAT AN ADDITIONAL FEE OF \$50.00 WILL BE CHARGED FOR THIS SERVICE. I/WE HAVE READ AND UNDERSTAND ALL OF THE ABOVE INFORMATION.
