

DORSEY

MARKETPLACE

June 7th Site Tour

Dorsey Marketplace will be hosting a walking tour of the property on Tuesday, June 7 at 10:00am. City Council and Planning Commission members, as well as representatives of various City of Grass Valley departments, will be attending.

The tour is open to the public.

If you are attending, please note the following instructions:

- Parking will be provided on the gravel lot between AAA and Spring Hill Pharmacy. Please park on the side of the lot facing the pharmacy. Consider carpooling as spaces are limited. Bus service is also available with a bus stop on Dorsey Drive at the entrance to the property.
- We will gather in a shaded area a short distance from the Dorsey entrance for a brief presentation before we begin the walking tour. Follow the signs from Dorsey Drive to the gathering area.
- The terrain is rocky and uneven. Please wear appropriate shoes for hiking.
- There will be contact with trees and shrubs. Please wear appropriate pants and shirts.
- It may be warm. Please wear a hat and bring a water bottle.
- Use insect repellent to prevent bug bites or ticks.
- There are snakes on the property. Be aware of your steps.

Representatives of Dorsey Marketplace will guide the walking tour and answer questions. Plan on a minimum one-hour time frame to walk the property. Please join us if you're interested.
